

KINDER Final Conference

The KINDER final conference will take place online, being broadcasted on YouTube (<https://youtube.com/live/Wp9KvelMFI0?feature=share>) to the general public and to national professionals who participated in the project in each of the partner countries, consultants, public authorities, decision makers and other people relevant to the project.

This conference will consist and has the objectives of a dynamic and interactive forum in which, in addition to the presentation of the European KINDER campaign, with the presentation and explanation of the Be KINDER cartoon process, there will be a presentation of the national manuals of each partner entity of the consortium, and there will also be a presentation, by each of them and by the consultant ISSA - International Step by Step Association, of their chapters of the European KINDER Manual, with topics such as the theory and rationale of KINDER, early childhood development; how to create a supportive environment in schools and give tools for working in playgrounds; and challenges in difficult environments.

A national public authority/decision/policy maker and an EU representative/MEP from each country will also be invited to participate in the conference, commenting on the project, its thematic, importance and national and European relevance, and its products.
