Exploring Heteronormativity as a Form of Violence

Introduction: Heteronormativity as a Tool of Power

2016 in Madrid with women in Lesbian relationships living on those mistakes.

This chapter focuses on the community living on interviews, focused on these narratives.

The community in Madrid, women in Lesbian relationships, experienced violence and discrimination at the workplace, queer spaces, and public areas. They faced many challenges in navigating these environments, leading to fear and anxiety. These experiences highlight the need for support and resources for women in Lesbian relationships in Madrid.
